

LOUD & CLEAR

PRESENTATION COACHING COURSES

BY

Not Too Tame

The Loud and Clear course uses professional acting techniques to:

- ✓ *Empower and inspire your staff*
- ✓ *Develop the well-being and mindset of individuals*
- ✓ *Create a solid understanding of how to use their own individuality to present confidently and successfully*
- ✓ *Develop confidence and communication skills within a workforce as well as with clients and industry*
- ✓ *Produce a stronger, energised and fearless workforce*

“My job is not to make my players brilliant, but to put them at such ease, calm and confidence that their own brilliance comes blindingly to life.”

The Company

We're Not Too Tame

We make award-winning plays that celebrate and champion individuality and identity that are interactive, charming and energetic.

During the Loud and Clear workshop we will comprehensively cover every aspect of presentation from physicality to storytelling using a plethora of professional acting techniques.

Our 2 day course will provide any participant with a practical tool kit and a solid understanding of how to deliver any presentation with individuality and impact. We explore the relationship between a presenter and their audience, ensuring the most efficient and effective forms of communication. Our techniques have been crafted and developed to increase confidence and focus, empowering your workforce to be brilliant at what they do. Our exercises also focus on developing the well-being and mindset of individuals and workforce to support a more confident, fearless and happy team of employees.
